MEDICAL CENTRE

Monday - Friday, 8am - 4.30pm
in the basement of Woods House
medical@cliftonhigh.co.uk

- We can help with injuries, if you are feeling unwell, questions or worries
- If you feel unwell in class your teacher will decide if you should come to the medical room. Please do not call your parent and ask to be collected - the Nurses will call home, if we feel you cannot be in school
- You can ask us any health, wellbeing or sexual health questions, we might not know all the answers, but we can signpost you to the correct service
- We are a confidential service unless we feel you or others are at risk of harm

MENTAL HEALTH

I am here to support you, listen without judgement and signpost further support.

Drop into the medical room to find me or I will be in the Wellbeing hub. You can also email me lbailey1@cliftonhigh.co.uk and we can arrange a time to talk.

Being in school and having the best attendance possible underpins all the many benefits of school for your child, such as their learning, wellbeing and wider development.

For some children, attending school every day will be harder than for others. This is why schools, and local councils in some cases, are committed to working together with families to solve problems and support your child's school attendance.

You are legally responsible for making sure your child is in school every day except when:

- Your child is too ill to go to school
- You have permission for a leave of absence from your child's school for them not to attend. You should only ask for this in exceptional circumstances
- Your religious body has a day especially for religious observance.
